

EPSOM
COLLEGE

Appointment of a
Teacher of Music

REQUIRED FOR SEPTEMBER 2025

Welcome...

Epsom College is an inspiring place to work, renowned for excellent all-round education. Founded in 1855 on the principles of 'benevolence and excellence' kindness, ambition, integrity and community are at the heart of everything we do. Named 'the UK's most-improved school' by The Sunday Times in 2024, we educate 1,150 girls and boys aged 11-18.

The College has grown significantly in the past seven years, with pupil numbers rising 40% as the result of the opening of our Lower School in 2016, and growth throughout the rest of the College. We admit pupils into Years 7, 9, and 12, and each year around 220 new children join our community, with an average of five pupils applying for every space.

Epsom is a happy school. Almost all our pupils remain with us for their A-levels, and staff retention is equally strong. Around 60% of staff live onsite, which lends the College a real sense of community and togetherness.

From 8am until 6pm, our 72-acre campus is alive with learning; academic lessons also take place on Saturday mornings meaning that pupils have time each day to learn and develop outside the classroom. Our co-curricular programme – which features a vast array of clubs, societies and activities each week – is award-winning (picking up the 'Best of the Best' accolade from The Week for six consecutive years); our CCF is one of the largest in the UK; and our Duke of Edinburgh programme currently has over 100 pupils completing their Gold or Silver award.

In addition, our timetable features wellbeing lessons, an award-winning Personal Social Development offering, and an hour each week for volunteering in the community. Last year Epsom pupils gave 9,830 hours of their time to help local charities, schools, and community groups.

When pupils aren't busy with all of the above, they can relax and catch up with friends in their House. We have 13 single-sex Houses for all our pupils from Year 9 upwards (whether they are day pupils or boarders).

This combination of single sex accommodation within a co-ed environment gives us the best of both worlds.

The fact our houses are physical buildings, where pupils can step through the door into a space that's entirely their own, is key to the success of our pastoral programme. This was part of the reason why Epsom was named Independent School of the Year for Student Wellbeing (2022-23).

Sport is central to the College. We have been named the top co-ed school for sport in south east England, and compete in county and national finals in all our major sports across all age groups. Over 22 sports are offered to our pupils, and the aim is to encourage participation for all – we regularly field D and E teams, and see an average of 90% of pupils playing competitive fixtures.

Our focus on delivering an all-round education, that develops the whole child, is regularly celebrated. In the past four years, in both the TES and Independent School of the Year Awards, we have been a finalist in the categories of Boarding School of The Year, Co-Ed School of the Year, SLT of the Year, Creativity in Teaching, Student Wellbeing, Community Initiative, and Sporting Achievement. We were voted the overall winner at the Independent School of the Year awards (2022-23), and the Sunday Times' most improved school in the UK for 2024.

We hope that you are excited by the opportunity to come and join the fantastic teachers and support staff who work here.

About The Role

THE MUSIC DEPARTMENT

Music is central to the all-round ethos of the school and large numbers of pupils are involved in making music on a regular basis each week. Music has purpose-built facilities on the edge of the campus. The department is inclusive and facilitates music making amongst all pupils. A wide-ranging series of concerts occur throughout the academic year.

All pupils have access to a wide range of musical opportunities, through teaching in the classroom, co-curricular activities, trips, concerts and events. Pupils flourish within the department due to the range of opportunities available, the supportive attitude of their peers, and the direction of inspirational staff. Participation in the department's activities challenges pupils to develop their talents and broaden their interests, to become confident in themselves, and to be tolerant and appreciative of others.

Academic Music is taught from Year 7 to Year 9. A healthy number of pupils continue to GCSE (Edexcel) and A-level (Edexcel). Pupils regularly go on to study music at university and conservatoire level. Many pupils take ABRSM, Trinity, LCM and Rock School examinations, many beyond grade eight to diploma level.

The Music Department will consist of the Director of Music, Assistant Director of Music (Academic), two Teachers of Music (one of whom also fulfils other responsibilities within the College), over 30 Visiting Music Teachers and a Music Administrator.

The department also employs a full time Head of Performance and accompanist to work regularly with our music scholars and most advanced musicians (Grade 8 and above). The remainder of the accompaniment for concerts and examinations is shared between the Director of Music and the Assistant Director of Music. There will also be the addition of a Head of Strings in 2025.

CO-CURRICULAR MUSIC

There is a large co-curricular programme on offer at Epsom College which can be viewed here (www.epsomcollege.org.uk/learning/music/). The ethos of the department is to provide musical enrichment to all pupils but also provide a suitable programme that stretches the most able musicians. To provide a wide range of academic enrichment opportunities for students.

CHORAL MUSIC

Singing is central to the musical culture of Epsom College, and everyone participates in communal singing throughout the academic year. All pupils joining the Lower School sing in a choir throughout their first year, and the whole of the Senior School participates in the fiercely competitive annual Inter-House Choral Competition.

The two large chapel choirs (Senior and Lower School) are the school's foremost vocal groups, and around 10% of the College sing in one of our chapel choirs. They enjoy opportunities such as tours abroad, recording projects and performances at world renowned venues. Recent highlights include trips to Southwark Cathedral and St Paul's Cathedral, a tour to the Vatican, and recording a Christmas album.

We provide pathways for elite singers to progress on a national level. We have eight singers representing the College in the National Youth Choirs of Great Britain, and have extensive experience preparing pupils for Oxbridge choral scholarship auditions. Our Head of Performance, Gill Ford, was a répétiteur with English National Opera, and supports pupils with one-to-one performance sessions in preparation for competitions such as the Rotary Young Musician competition and the Sutton Music Festival.

There are also a number of opportunities for singers interested in more modern styles of music. The Barbershop and Acapella groups are high-quality but inclusive environments for boys and girls respectively to sing in close harmony groups. We have termly Extravaganza concerts which make use of our lights, staging, and smoke machines to transform Big School into our very own pop concert venue, and we put on a large-scale school musical every year: recent musicals include *Shrek*, *The Addams Family*, and *Les Misérables*.

Our brand new Music Studio is another outlet for pop singers, with select elite musicians getting opportunities to record album-style projects with our Head of Music Technology, who has worked at top London studios.

INSTRUMENTAL MUSIC

There is a strong culture of high quality music-making at Epsom College across all age groups, and pupils are able to flourish across a wide variety of disciplines.

Instrumentalists interested in large ensembles are thoroughly supported at Epsom, with a weekly Symphony Orchestra, Concert Band, Big Band, and Funk Band for our older musicians, while the Lower School Orchestra and Junior Blues help prepare our younger musicians to develop their skills. In addition, our most committed instrumentalists have the chance to play alongside professional musicians as part of the orchestra for the yearly Choral Society concert and the School Musical, which this year is *Les Misérables*. Many of our musicians are members of youth orchestras or RCM programmes.

For solo musicians, our expert Visiting Music Teachers help prepare our pupils for instrumental exams and our weekly recital series in Chapel. There are further solo opportunities in our evening year-group concerts, with individual support from our Head of Performance and Staff Accompanists, and our top soloists are regular features in competitions such as the Sutton Music Festival and the Rotary Young Musician Competition.

Chamber music is experiencing a surge of growth at Epsom in recent years, with a fully bespoke programme created each year to suit our most talented and dedicated musicians. As well as internal performances in our recital series and the yearly Chamber Concert, these groups compete in the national Pro Corda chamber music competition. In 2024, Epsom College had four groups reach the semi-finals, and one group reached the national finals.

DEPARTMENTAL PRINCIPLES AND AIMS

- To enrich the lives of pupils through an array of musical experiences which foster a lifelong interest and appreciation of music.
- To create opportunities that stretch the most advanced musicians and inspire pupils to make music of the highest-quality.

DISTINCTIVE CHARACTERISTICS OF THE DEPARTMENT

- There is a particularly strong culture of singing at Epsom College. This ranges from chapel choirs (which 10% of the school sing in) and close harmony groups to communal singing and entire year group choirs.
